Christmas Seals – U.S. Locals  
 William McKinley Memorial Hospital League  
 New York, New York

1934  
 Bust of McKinley & Proposed Hospital

*8 full panes* **PURPOSE OF THE** *one pane not complete*

**William McKinley Memorial Hospital League**

- (1) To obtain by voluntary subscription a fund, to be known as "The William McKinley Memorial Hospital Fund."
- (2) To erect a Memorial to our beloved deceased President, William McKinley, in the form of a non-sectarian Hospital, to be erected in the City of New York, open to all members of the Medical Profession, who may admit and conduct their individual cases with every facility afforded in a modern equipped hospital.
- (3) To establish branches, camps, etc., for the treatment and cure of Tuberculosis, in the States of the Union, subject to the approval of State government and the Advisory Committee of the William McKinley Memorial Hospital League.

A few extracts from letters received, appearing on other cover pages, may interest you
